

Session 2
DRR Policy Review of ADRC Member Countries

Session Coordinator: Mr. Jerry Velasquez, UNISDR

Rapporteur: Ms. Goulsara Pulatova, UNISDR

Objectives

- To assess the progresses, identify good practices across Asian countries and then discuss how to accelerate their efforts toward achieving the goals set in the HFA at the halfway point for the implementation of the HFA.
- To introduce ADRC's new attempt, the "DRR Policy Peer Review", which is aimed to facilitate mutual learning process among member countries through the review of one country's policies by peer countries.

Issues to be addressed:

- Share information on how other countries are implementing HFA:
- Identify common issues and challenges and explore how to solve them by learning from other countries' experiences and good practices;
- Discuss how countries, international and regional organizations and other relevant institutions should work together to further implement HFA in the remaining five years.
